

PARENT PERMISSION FORM (ALTERNATE TRANSPORTATION REQUEST)

AWARENESS STATEMENT:

The school board directive requires that when transportation to and from athletic events is furnished – students must use the furnished transportation. *Exception:* If a parent wishes to transport their own child they may do so by asking and making personal contact with the coach.

Occasionally:

It is understood that parents are out of town or for other reasons are unable to pick up their children from school after an away event. If so the form below must be filled out and delivered to the athletic office in a timely fashion. Dropping notes off the day of the event is not prudent. Please allow time as follow-up calls must be made by the athletic office.
